### **ACEM News**

Rev. James Lai (Singapore)

To overcome the limitation of isolation and to encourage churches to maintain the passion for God’s missions, under the new normal, Rev. Lai changed paradigm shift. Through the technology, he connects churches with the missions fields. CNEC has been introducing “Multi-Media Missions” to churches since 2020. Now the entire church can embark on a virtual tour of the missions fields. PTL that this is a missions strategy under the news normal era. Please continue to pray.
